SPECIAL RULES

Heavy Tankovy Company(Guards) - p.197

Although some tank brigades earned guards honours, they still operated with their standard tactics. Unless explicitly stated, all Soviet tank companies use the Hen and Chicks special rule on page 243, even if they are rated as Guards.

Tank Destruction Company(Guards) - p.234

The 76mm ZIS-3 anti-tank guns of a Tank Destruction Company can not fire Artillery Bombardments.
